

McIlveen

Lumber Industries (Alta)(2012) Ltd

NOW SERVICING BRITISH COLUMBIA!

McIlveen Lumber, established in 1972 as a wholesale distributor of high quality building materials, has expanded its reach by extending its services to the BC marketplace. Our primary goal has been to supply the highest quality Cedar, Pine, Fir, Finger Joint Pine and Industrial Clear Lumber in a timely fashion to its valued customer base. Other popular products include flooring, composites as well as aluminum railing, allowing McIlveen to be your true one-stop shop.

Equipped with an experienced sales force and expansive facilities, you can rest assured that you will receive maximum customer satisfaction and a strong return on investment. Starting at the mill and at every step in the distribution chain, careful handling is exercised to prevent damage and guarantee product performance. Whether it's a single piece or truckloads, regular stocking items to one-off special orders, you can rely on McIlveen to get the job done.

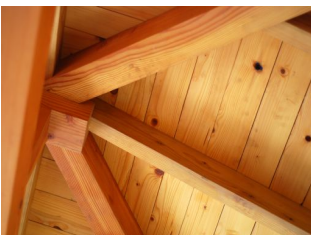

British Columbia Locations: Chilliwack & Surrey
