Lumber Industries (Alta)(2012) Ltd

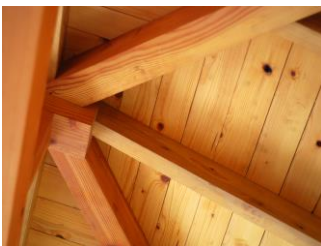

Distributing **Quality Building Products** Since 1972

**McIlveen Lumber** was established in 1972, as a wholesale distributor of high quality building materials specializing in soft wood lumber. Since our inception, the goal has been to supply the highest quality **Cedar, Pine, Fir, Finger Joint Pine** and **Industrial Clear Lumber** without sacrificing our **Competitive Advantage, Exceptional Service, Knowledge** and **Expertise**.

We also produce **Custom Precision Millwork** to supply the Window & Door, Furniture and Millwork industries. Having these capabilities allows us to offer a virtually endless supply of custom components, whether proprietary or standard pattern.

We maintain one of the largest inventories of specialty building products in all of Western Canada. Whether it's one single piece to truckloads, regular stocking items to one off special orders, you can rely on McIlveen to come through.
